CRUISES

Cruising is one of the few options where you only unpack once, see a new country or city every morning and entertainment of worldly standards at night. The cuisine will cater for that midnight cravings, to the most sort-after food connoisseur. Many cruise lines pride themselves with Michelin star restaurants and chefs with equal credentials. Gone are the days of floating retirement homes, as the latest “buzz” exults with adventure, contemporary and sophisticated trends. Travel Vision offers a variety of cruise lines worldwide, from island hopping in the Mediterranean to sandy beaches and crystal waters of the Seychelles or exploring the fjords in Alaska.
